

Access Program

Only available to Focus¹³ clients. The Access Step Payment Program is a discount program that allows full therapy access to both weekly group therapy and weekly individual therapy.

Payments are made every four weeks and provide full therapy access during those four weeks. Payments begin at \$759.00 and successive four-week payments are discounted \$50.00 ending at \$259.00 for each four-week period and full access to therapy does not change.
