For many reasons, not everyone benefit from therapy/counseling. You may find counseling/therapy unsatisfying or challenging and thus consider prematurely ending it. This is an important point because *purchasing this discount package is final and non-refundable*. It is the hope, however, that you find your counseling experience rewarding and richly beneficial.

This package *does not* have an expiration date. Clients may use these sessions as they fit into their personal schedules and need.

Please check the box of your selection.
